Sir,

I have the honor to inform for notice that for the purpose of carrying out the Municipal Regulations of 1871 the Town of Bangalore was divided into 3 Divisions to each of which agreeably to the provisions of Section 3 of the Regulations 2 Municipal Commissioners were appointed in addition to the six Members aforesaid 3 Ex-Officio Members as originally noted were under the provisions of Section 4 likewise appointed making a total number of 9 Commissioners exclusive of the President and the Assistant - Section 24 provides that no business shall be transacted at any meeting unless a quorum of 6 Commissioners be present I request to say that with the exception of the Deputy Commissioner and Assistant Commissioner of Ordnance } Deputy Commissioner Surgeon to the Mysore Cavalry

Under these Circumstances and with a view to remedy the inconvenience here brought to notice I would beg to suggest that a fresh Division of the Town should now be made and that in lieu of the present 3 Divisions it should now be divided into 5 Divisions to each of which two Members should be appointed. Should this proposal meet the approval of the Chief Commissioner I shall if permitted be prepared to submit a Draft Notification showing the boundaries and limits of the 5 Divisions into which I now propose that the Town should be divided
